Welcome to Homelegance - World of Fine Home Furnishings

Your home not only reflects your desire to live in an environment that provides form and function but also is a reflection of your personal style.

From the simple lines of contemporary furniture to the intricate carvings of traditional furniture, the elegance of our products is expressed in the extensive variety of our product line.

We can think of no more exciting way to release this youth catalog than to provide furniture you and your family can live with.

Homelegance, your whole home resource for the style you want, the value you require, the quality you expect and the variety you deserve.

Style

From classical to modern furniture, we strive to offer the freshest and most functional piece of furniture for every room in your home. With that in mind, our products are stylish as they are timeless.

Value

The answer is simple, we won't sell style without value, and we won't sell value without style. Each product is designed to provide the best value without sacrifice its look and appearance.

Quality

Every piece of our furniture is constructed by experienced human hands, advanced technologies and innovative solutions to satisfy the needs and expectations of our valued customers.

Variety

Our extensive product selection accommodates any lifestyle and any setting. As your whole home resource, Homelegance offers design solutions for every room.

Product image (including colors, textures, materials, designs) and information (including dimension, specifications, SKU) contained in this catalog are based on the latest image and information available at the time of printing. Due to various factors, product image and information are subject to change.

Alyssa Collection

Cottage styling lends itself to the Alyssa Collection. Finished in a simple cottage white or warm brown cherry, bead board accents the end panels and top drawers of each case piece, while coordinating knobs punctuate each drawer. Offerings include twin, full, queen and king beds. The Alyssa collection is a quaint addition to your home.

Morelle Collection

The warmth of cottage living is invoked by the classic styling of the Morelle Collection. The collection is designed with many features perfect for today's casual lifestyle such as a low post bed with simple picture framing and round finials plus molded drawer fronts and satin nickel knobs on the case pieces. The addition of a pull out trundle, toy box offerings and writing desk further the functionality of the collection. The ability to choose from twin, full, queen, California king and Eastern king bed sizes makes this group perfect for youth bedrooms, guest bedrooms or master bedrooms. Adding to the versatility are two distinct painted finishes, black and white.

Marianne Collection

The Marianne Collection brings the most popular furniture silhouette together with causal painted white or black finishes to create a great choice for youth and guest bedrooms. We have modified the classic lines of the bed by adding low-profile footboard creating a lighter, more airy feel. The Marianne Collection is the best of both comfortable style and simplicity.
